WORK EXPERIENCE

UI/UX Design Intern – Media Wave Technologies, Trichy <i>Key Project: Foodie Food Delivery App – UI/UX Design</i>	June 2026 – July 2026
• Designed user-friendly interfaces and wireframes using Figma for a foodie food delivery app, covering menu browsing, cart, and order tracking screens. • Conducted user research and usability analysis to improve the overall user experience. • Collaborated with the design team to deliver high-quality, interactive UI/UX solutions.	

PROJECTS

College Placement Management System GitHub: github.com/Safilafarhath/college-Placement-Management-System <i>Tech Stack: Python, Flask, HTML, CSS, JavaScript, MySQL</i>
• Developed a web-based placement portal for students and administrators. • Implemented student registration, login, company management, and placement application modules. • Integrated MySQL database for secure data management. • Designed a responsive and user-friendly interface.
FoodLoop UI/UX Case Study Case Study: www.behance.net/safilafarhath <i>Tools: Figma</i>
• Conducted user research and competitor analysis. • Designed user flows, wireframes, high-fidelity UI, and interactive prototypes. • Applied user-centered design principles to create an intuitive user experience.

CERTIFICATIONS

- IBM SkillsBuild – User Experience Design Fundamentals
- Accenture (FutureLearn) – Digital Skills: User Experience (UX)
- IBM – SQL and Relational Databases 101
- IBM – Python 101 for Data Science
- NPTEL – Java Programming

ACHIEVEMENTS

- Participated in TNWISE Women's Hackathon.
- Completed AI & Cloud Computing Internship with AICTE (Virtual Internship Sep 2025 – Oct 2025).
